REASONS FOR ALLOWANCE

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance.

The prior art references, made of record, U.S. Patent Nos. 6,615,166 and 6,536,037 to Guheen et al., taken alone or in combination, fail to teach or suggest a method as claimed in independent claim 15, for processing information in a middleware layer comprising the following steps:

receiving information from plural real-time information source;
receiving a sub-portion of non-real-time information;
delivering the information from the plural real-time information sources with higher priority than the sub-portion of non-real-time information; and
retrieving a remainder of the non-real-time information upon user request

(independent claim 1 being a computer program product version and independent claim 9 being a computer version of claim 15, respectively).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
